

The Association reserves the right to guarantee the quality of all exhibited work. We require that work presented for exhibit be the same or similar in scope, media and style to work presented initially to the committee.

When arranging and hanging exhibits, the artists' work is mixed together in each of our five galleries. If you prefer to have your work hang separately, it would be in one of our 2nd floor galleries. *(2-dimensional works are hung from a picture rail with chains and s-hooks. We do not allow any work to be nailed or screwed into our walls.)*

Sculptors should note that we have 20 sculpture bases of varying sizes. Free-standing sculptures should not be rough on the bottom, as the AAH has polished wood floors.

Please call or e-mail AAH Assistant Curator Rachel O'Connor (rachel@artassocofhbg.com) with any questions or concerns.
